1. Information About Harbor Conditions, etc

1) Renuzi fishing harbor was filled with fishing vessels. 10 new motor fishing cutters, the half-deck type, apparently completed, were seen in the boat-builder's yard the same place. 25X1 25X1

2) A new concrete quay is being built in the "secondary channel" [redacted] north of the fishing harbor. About 400 metres of the quay have been completed, located on the southern side of the channel. [redacted] this is going to be a new oil harbor since 4 new small tanks have been erected on this quay. There is a recently filled-in area behind this quay. 25X1 25X1

2. 1) [redacted] 24-30 motor torpedo boats or similar vessels in the Winter Harbor, all of them placed ashore without cover. In the harbor itself there were 2 naval vessels [redacted] described as destroyers or something similar, [redacted] 25X1 25X1

[redacted] 2 submarines, 300-400 tons, and quite a few other vessels, probably depot ships, etc., that were in the harbor. 25X1

2) Right off Dunamunde [redacted] was passed by a <sup>ship</sup> submarine USSR and submarine no. 63 was there too. Both submarines were alike and are described as follows: "Down-sinkable" 25X1 life-buoys on the fore deck and quarter-deck. In front of the conning-tower 2 machineguns vertically under and over 25X1 each other, partly built into the conning-tower. Periscope and radar built into the conning-tower. [redacted] the same submarines that were observed in the harbor. 25X1
